

Wood Street Build Launch Party Come Join Us

Wood Street Plaza
2pm
11th October 2014

To showcase and celebrate a local popular space, Dolly has been busy gathering your thoughts and ideas about Wood Street. With your input students from the University of East London will develop and assemble a small temporary installation in Wood Street Plaza, together with an exhibition of all the Dolly posts and designs.

Wood Street Build is a project by ArchitectsE17.

We are a group of architects living in Walthamstow encouraging our diverse community to get involved in local place making through collaborative projects. This launch event has been made possible with the help of the people opposite.
