## Lockdown

Quarantine is a challenging time,  
We have to stay at home all the time.  
So when we are in quarantine,  
All my mum tells me is to clean.  
I made stunning posters for the NHS,  
Which became into a massive mess.

Lockdown is a scary time,  
I'm creative so I made this rhyme.  
I need to support my caring mum,  
But my brother is a pain in the bum.  
I miss all my friends and the fun we had,  
So we facetime from time to time.

On a rainy day,  
Netflix helps me to enjoy the day.  
We all sit on the couch,  
And eat sweets from a pouch.  
All the screen time I spend,  
I then realize that I missed all the online classes that I had to attend.

One day this will all come to an end,  
And I will finally see my best friend.  
All the games we played and the fun we had,  
We will look back to this day and say "LOCKDOWN NEVER COME BACK."
